Objectifs

The first-year* of the master's degree programme in « International and European Law » is a French national degree, taught in English, fully recognized in Europe and complying with the Bologna process. This one-year program equals 60 credits in the European Credit Transfer System (ECTS).

The MIEL aims at giving students a thorough knowledge of the private and public aspects of international and European legal issues.

The programme offers a comparative perspective, focuses on methodology with a view to provide the students with the tools needed for them to hold positions as lawyers in an international and European context. A study trip to Brussels will be organised in the frame of this programme. The students will have the opportunity to discover the European Institutions.

* In the French system, the master programme is divided into two years: Master 1 (first-year of Master) and Master 2 (second-year of Master).

At the end of the diploma, students who pass the exams, acquire 60 ECTS credits and are especially entitled to apply for the second year of the Master's degree in France.

In particular, the MIEL gives the opportunity to apply for the second year of one of the Master's degree programs taught in English (or both in English or French) at Toulouse 1 Capitole University, in the following areas of study:

- Comparative International Law,
- International Business Law,
- International Economic Law,
- Private International Law.

More Details: You may read the OFIP's surveys about occupational integration of the graduate student.

The OFIP (Observatoire des Formations et de l'Insertion professionnelle) examines the academic and professional future of the alumni: continuation or resumption of studies, access to the labour market, after 30 months situation (work, studies, unemployment,...), occupation characteristics (sector, status, functions, professions, wages, geographical mobility,...).

Available on the UT1 [website](#) or at the SUIO-IP.

Informations complémentaires

Preparation to access the labour market workshops are set up and hold by the SUIO-IP:

- Making of professional project: highlighting ones experiences; identifying ones strengths; building ones project.
- Techniques for hunting a job: CV, applications letters, preparation to interviews.
- Student exchange: CV, Motivation letter and interview in English, application in Spanish.
- Making of Skills Portfolio (Portefeuille d'Expériences et de Compétences) through the online platform PEC.

Short lectures and job days about varied topics are set up all along the year: "How to hunt for an internship"; "The keys for successful first steps into a firm",...

The workshop, short lecture and event timetable is available at the SUIO-IP location, in the University's newsletter as well as on the University website (tab "Orientation et insertion" and in the news)

Enrolment is online.

The SUIO-IP is a place made for informing and advising you about programmes, international world, public service examinations, occupations into a firm, or the labour market.

Our documentary material is listed in our catalogue and available at the office or online:
