Objectifs

OBJECTIVES

The Master's degree (M2*) in International Economic Law (MINTEC) aims at giving students a thorough knowledge of international economic legal issues.

The programme focuses mainly on the study of the World Trade Organisation, of the European Union in an economic perspective and of international economic development.

The MINTEC also aims at providing students with some basic knowledge of international law, contracts and markets regulations. The syllabus also aims at giving international students the basics in French legal methodology and in French as a foreign language.

A study trip to Brussels will be organised within the framework of this programme. The students will have the opportunity to discover the European Institutions.

International **Dual degree Master 2/LLM with Stetson University (Florida)**

This program mainly deals with international economic law and international law. The student will spend **the entire academic year** at Stetson University College of Law.

At Stetson University College of Law, the student must complete all the required courses to get the International Law LL.M.. As for the elective courses, they must be chosen with the consent of the University of Toulouse. All the exam modalities at Stetson University College of Law are handled by the host university. More information about the [curriculum](#).

To get the Master 2 International and Economic Law, the student must either write and defend a master's thesis or write an internship report. This internship must be 2 months (or 308 hours) long.

Admission

There will be no selection for the dual degree with Stetson University for 2020/21.

Langues d'enseignement English

More Details: You may read the OFIP's surveys about occupational integration of the graduate student.

The OFIP (Observatoire des Formations et de l'Insertion professionnelle) examines the academic and professional future of the alumni: continuation or resumption of studies, access to the labour market, after 30 months situation (work, studies, unemployment,...), occupation characteristics (sector, status, functions, professions, wages, geographical mobility,...).

Available on the UT1 [website](#), tab "Orientation et insertion" or at the SUIO-IP.

Informations complémentaires

Preparation to access the labour market workshops are set up and hold by the SUIO-IP:

- Making of professional project: highlighting ones experiences; identifying ones strengths; building ones project.
- Techniques for hunting a job: CV, applications letters, preparation to interviews.
- Student exchange: CV, Motivation letter and interview in English, application in Spanish.
- Making of Skills Portfolio (Portefeuille d'Expériences et de Compétences) through the online platform PEC.

Short lectures and job days about varied topics are set up all along the year: "How to hunt for an internship"; "The keys for successful first steps into a firm",...

The workshop, short lecture and event timetable is available at the SUIO-IP location, in the University's newsletter as well as on the University website (tab "Orientation et insertion" and in the news)

Enrolment is online.

The SUIO-IP is a place made for informing and advising you about programmes, international world, public service examinations, occupations into a firm, or the labour market.

Our documentary material is listed in our catalogue and available at the office or online:
