

INSTITUTE OF LAW JERSEY

Welcome to the Institute of Law.

We are delighted that you have chosen to study with us, and we look forward to meeting you in person at our Induction Week, starting on Monday, 26 September 2021.

The Institute of Law, Jersey

At the Institute of Law, you will experience friendly and supportive teaching, with our academics and administrative team ready to help and support you from the moment that you arrive.

By choosing to study in Jersey, you will undertake your double degree in a world-leading international legal and financial centre, with beautiful beaches, wonderful scenery, and outdoor activities, together with lively bars and cafes.

Everyone of our students benefits from small classes, supportive and inspirational teachers, and a warm welcome, allowing you to enjoy a more personalised approach and to have direct contact with the academics who will teach you.

The Institute of Law will host your classes on the higher education student campus in Jersey, where you will have the opportunity to mix with students and staff from JICAS (Jersey International Centre for Advanced Studies) and University College Jersey.

The Institute of Law is also located less than one hour from London, with air and sea transport links to the United Kingdom and France, so that you can travel easily to London and return home during holiday periods.

Visa requirements

Normally, all French students require a student visa to enter and study in Jersey. However, UKVI have diverted their resources to deal with applications under the Ukrainian family & sponsorship schemes for those who have been displaced by the conflict in the Ukraine. As such processing of applications for all visa routes is taking longer and they are seeing delays in applications.

As a result, we have agreed with Jersey Customs and Immigration that, for this year only, an exceptional process has been put in place.

If you are a French national The Institute of Law will provide a full list of all students to Jersey Customs and Immigration, including copies of valid passports, offer letters from Institute of Law and course details, they will do the necessary 'visa' checks on each and notify the Institute who can travel to Jersey.

For this purpose, as a matter of urgency, please send a photocopy/picture of your passport to administration@lawinstitute.ac.je, with your email subject marked as 'Passport information for September 2022 application'.

If you are a national of the countries listed in appendix A (below) you must apply for your visas via UKVI and have them granted before travelling to Jersey. If this applies to you, please contact us on administration@lawinstitute.ac.je marking your email, FAO of Sarah McCluskey and we'll help you through this process.

For French nationals, once you have arrived in Jersey you must apply to Jersey Customs and Immigration for leave to remain. This must be done within 3 weeks of the start of the course.

Your Degree

Studying at the Institute of Law combines degrees from two prestigious universities: Université Toulouse 1 Capitole and the University of London. Both the LLB and *licence en droit* can be obtained within three years, ensuring that you are a sought-after candidate when it is time for you to enter the employment market.

Classes

Students are required to attend both lectures and tutorials while studying at the Institute of Law. Attendance records will be kept.

Lectures are designed to provide an overview of a topic area and introduce key principles, legislation and case law.

Tutorials are taught in smaller groups and are intended to provide deeper learning, more interactive discussion and an opportunity for students to understand each subject more fully.

Outside of class times, students are warmly encouraged to prepare for classes and assessments at the Institute.

A personalised timetable detailing your lecture and tutorial times will be sent to you in September. Note, where necessary, classes may occasionally take place at weekends.

To register you on the CertHE, the Institute will send you a link with login details so that you can complete a brief online test. This test is designed simply to illustrate your English language skills and to give you an opportunity to review a basic legal problem. It is reviewed and approved by the Institute of Law, and confirmation of your suitability for the LLB programme is then confirmed to the University of London.

Following the successful completion of the first year of study, double degree students are automatically transferred to the LLB programme.

Other Activities

Mooting

During your time at the Institute of Law, you will have the opportunity to practice your legal skills as part of our 'mooting' or mock court competition, which is scheduled to take place in the first week of the second term.

The team at the Institute will also be ready to enrol you on our mentoring programme, where you will be introduced to a local practitioner, who will also support you while you are studying with us.

Social Activities

Throughout the year, you will be invited to join the Institute for some fun events and activities. Music Bingo was a particular hit last term!

We will also share other events, activities and a wide range of sports memberships for you to make the most of while you are living in Jersey.

COVID-19 plans

We will always follow the current Jersey Government guidelines regarding COVID-19, and keep you updated regularly.

For the year ahead, we are planning to deliver all our classes face to face.

The Institute has clear contingency plans for classes to continue in small and accessible groups and without interruption, via our online provision, where absolutely necessary.
