## MEET OUR FUTURE STUDENTS AT THE INFOSUP CAREER FAIR

On 9, 10 and 11 January, professors, students and administrative staff attended the Infosup career fair at the MEET in Beauzelle.

At the École de Droit stand, we were able to present our double degrees and bilingual bachelor's degrees to high school students in the midst of the Parcoursup application campaign. Our students were on hand to answer visitors' questions and help them make the right choices.

These fairs are always important moments for our future students and for us, so that we can give them the best possible advice in selecting our courses.

# TAILOR-MADE SUPPORT IN TOULOUSE'S HIGH SCHOOLS

Throughout the month of January, the ESL teaching and administrative team visited a number of Toulouse high schools for career guidance forums.

These meetings are an ideal opportunity to inform high school students about the courses on offer, to help them make the right choice and to answer their questions about studying international law and career opportunities.
