## THE COS MEETS IN PARIS

The Strategic Steering Committee of the European School of Law met in Paris at the offices of the law firm White & Case.

The meeting provided an opportunity to review the past year, assess the School's progress, and reflect on strategic directions for the coming years.

It was also an opportunity to welcome new members of the committee and its new president, Oliver Furtak.

Finally, a special tribute was paid to former president Noël Chahid-Nourai for his exceptional commitment to the ESL over the past ten years.

# FRENCH-GERMAN FRIENDSHIP IN THE SPOTLIGHT

**L'ESL participe à  
la 7<sup>ème</sup> édition de la  
Quinzaine Franco-  
Allemande d'Occitanie**

The ESL has partnered with the Goethe-Institut in Toulouse to offer two events during the 2025 Franco-German Fortnight in Occitanie:

a lecture by Raj Kollmorgen on (re)unification and a debate on East Germany with Dirk Oschmann.

These two events provided particularly rich insights in a tense global context where extremes are gaining ground and calling into question the achievements of the last 50 years.

## DOLCE VITA FOR THE ESL

Last week, the ESL was delighted to take part in the Franco-Italian Dual Degree Day in Rome, organized by the French Embassy in Italy. The event brought together French and Italian universities that offer dual degrees and joint programs, promoting academic and cultural exchanges between our two countries.

It was the perfect opportunity to reconnect with our partners, such as the Università degli Studi di Milano and the Università degli Studi di Napoli Federico II, and explore new opportunities to expand our range of dual degrees.

# THE GODMOTHER CLOSES A MONTH FULL OF EVENTS

From left to right: Geneviève Saint Hubert, Secretary General of the Maison de l'Europe, Camille Wolff, Secretary General of ESL, Charlotte Rault, Deputy Director of ESL, Elisabeth Tichy-Fisslberger, diplomat, judge at the Court of Justice of the European Union and patron of the ESL class of 2024/2025, and Oliver Furtak, President of COS.

Elisabeth Tichy-Fisslberger.

We had the honor of welcoming Ms. Tichy-Fisslberger to our formal opening ceremony in October 2024, where she delivered an inspiring speech on European values, the rule of law, and the importance of human rights. She expanded on her thoughts in light of recent political events and the widespread rise of populism, encouraging students to believe in a united Europe in the face of major powers.

# See you in April !
